---

## Professional Summary

Creative and detail-oriented Frontend Developer. Proficient in HTML, CSS, JavaScript, React, Tailwind CSS, and jQuery. Skilled at creating user-friendly interfaces with a focus on optimizing performance and user experience. Passionate about tackling challenges and continuously improving skills to deliver innovative solutions.

---

## Technical Skills

- Languages: HTML5, CSS3, JavaScript (ES6+)
  - Frameworks/Libraries: React, Tailwind CSS
  - Version Control: Git, GitHub
  - Development Tools: Visual Studio Code
- 

## Projects

### Portfolio :-

- Technologies Used: HTML, CSS, JavaScript
- Description: This project is a fully responsive and interactive personal portfolio website built using core web technologies—HTML, CSS, and JavaScript. It showcases my skills, experience, and projects in a clean, user-friendly layout.
